Members Exhibition

2017

Welcome to our Summer edition.

Classes take place in the Poldrate Granary and Mill in Haddington, buildings which the Lamp of Lothian Trust kindly make available for community use. We aim to provide a variety of tutored classes and non-tutored self help groups for enjoyment, pleasure and relaxation.

Membership is only £15 per year which allows you to enrol in classes/ groups and take part in the annual students exhibition. Discounts also available for art materials in many local shops.

If you are interested in a class or group, please take a look at our website which always has up to date information about the PACC.

Please follow us on facebook and twitter.

BLOOMING HADDINGTON

As part of the 'Beautiful Scotland' competition the committee for 'Blooming Haddington' have accepted the offer by PACC to put on an exhibition in the buildings at Amisfield Walled Garden. The theme for the year is 'Birds and Bees and Trees'. We have some amazing contributions for this event. Do come and appreciate the beautiful garden and the contribution by a few of our tutors and students towards this competition. This exhibition will be in place until after the open day at the gardens on 12th August. Do come along and support this community event.

Opening times are on the Amisfield Walled Garden website.
