PACC Newsletter Term 3

Issue No: 13 - 2018

Join our new Tapestry Course!

We are delighted that Emma Weale will be teaching our new tapestry course on Wednesdays 10am to 12.30pm. Emma has a BDes (Hons) in Constructed Textiles and has been practising in St Margaret's House, Edinburgh for the last 3 years.

Emma says "...colour and texture is extremely important in my weavings. I use photography, drawing and paper work as inspiration".

No experience necessary. Loom will be provided and yarns available to buy for only £20. See overleaf for details.

Annual Student Exhibition

Come and see the wonderful work that is completed in our classes by our PACC students.

All welcome. Free entry.

See "Dates for your diary" for details.

Knox Pupils join Life Drawing Classes

Final year Knox Academy students joined our tutored life drawing workshops in term 1. They completed fantastic work which will be included in their portfolios for entry to art college. This was so successful that we hope to repeat it next year, and open it up to more schools in the area.

Marcin Krupa has continued to tutor adult workshops during term 2. These have been enjoyed by everyone!

Dates for your diary

Farewell to Anne Frost

After 5 very successful years, Anne Frost stood down as chair of the committee at the last AGM. Judith Dunkerley, who was the Treasurer, has taken over from Anne, and Russell Frith is the new Treasurer. Judith said: "We owe a big thank you to Anne for all her hard work. Also many thanks to her husband Bill for all his support, particularly establishing online booking. During Anne's time as chair we have seen a significant increase in the membership, we have new areas of activity largely due to her inspiration. We run public events and exhibitions that have continued to enhance the standing of PACC in the community. Behind this success there has been one guiding principle and that is that all members should be treated equally. I hope to continue that principle and to do my best to continue the work that Anne started".
