Try your hand at Basketmaking!

Anna Liebmann, who is a member of the Scottish Basketmakers' Circle, runs relaxed and fun basketmaking classes at two levels: Beginners (on Wednesdays) and Improvers (on Mondays). The classes run for four hours every second week. We are hoping for a good show of baskets again for the PACC students exhibition (see dates below) so come along and try your hand at this hugely enjoyable and satisfying craft.

The learning process never finishes!

Following the success of the autumn classes, we met again with Jacqueline Watt in January for a two-day painting weekend. We worked on our sketch books first to record from the installations in the studio. The focus was on observation and to translate the individual view into the final paintings. Most rewarding were the final comments from the tutor and the class.
